### SEXUAL HARASSMENT POLICY AND PROCEDURE

Sexual harassment of any kind will not be tolerated in the Kentucky Transportation Cabinet (Cabinet). Sexual harassment is defined as a continuing pattern of unwelcome sexual advances, requests for sexual favors or physical contact of a sexual nature under any of these conditions:

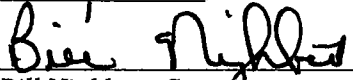

1. When submission to the conduct involves a condition of the individual's employment.
2. Submission or refusal of such conduct is used as a basis for employment decisions.
3. The conduct unreasonably interferes with the individual's job performance or creates a work environment that is intimidating, hostile or offensive.

It is the responsibility of each employee to understand and abide by this policy. Any person who is found by the Cabinet to have sexually harassed another employee is subject to appropriate disciplinary action, including termination. The Cabinet provides sexual harassment awareness training and requires all employees to attend these sessions.

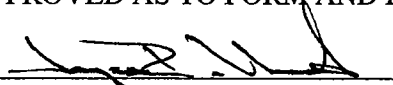

Any employee who believes that he/she is a victim of sexual harassment should report the matter to their immediate supervisor and/or District Administrative Manager, Division of Personnel Services, and/or the Office for Business and Occupational Development. A report need not be in writing, but must contain sufficient detail to permit an investigation of incidents. All information reported will be held in strictest confidence and will only be disclosed on a need-to-know basis in order to investigate and resolve the matter. The alleged harasser will be informed of the complaint and given an opportunity to respond to the allegations.

This policy shall be prominently posted in all personnel offices, EEO offices, and on the Cabinet's internal web site.

Retaliatory action of any kind is prohibited and will be regarded as a separate and distinct cause for complaint. Signed and approved this 6<sup>th</sup> day of January, 2006.

# **DISCRIMINATION COMPLAINT PROCEDURES**

**TRANSPORTATION CABINET  
OFFICE FOR BUSINESS AND OCCUPATIONAL DEVELOPMENT  
INVESTIGATION OF INTERNAL DISCRIMINATION COMPLAINTS**

Introduction

The Kentucky Transportation Cabinet (Cabinet) is committed to being an equal employment opportunity (EEO) agency. As such, the Cabinet has pledged to swiftly and affirmatively eliminate any discrimination that may exist. These EEO complaint procedures provide for prompt and equitable resolution for complaints alleging unlawful discrimination.

Authority

These EEO complaint investigation procedures have been developed pursuant to Title VII of the Civil Rights Act of 1964; Executive Order 11246 as amended in Executive Order 11375; the Age Discrimination in Employment Act; the Equal Pay Act of 1963; Section 504 of the Rehabilitation Act of 1973; the Kentucky Civil Rights Act; the Federal-Aid Highway Act: Title 23 CFR, 230, Subpart C, App. A, (B) (11); Vietnam Era Veteran's Readjustment Assistance Act of 1974; KRS Chapter 18A and other pertinent statutes and regulations. These procedures are not intended to duplicate or circumvent other available options.

**I. DEFINITIONS**

- (1) **Equal Employment Opportunity (EEO)** - Equal access to all available jobs and training, under equal terms and conditions, and with equal benefits and services, without differentiation on the basis of race, color, national origin, sex, age (over 40), religion or disability.
- (2) **Employment Discrimination** - An employment practice or action which denies equal treatment or opportunity to an individual or group of individuals, as compared to others similarly situated, based on race, color, sex, (the basis "sex" is inclusive of sexual harassment complaints), religion, national origin, Vietnam veteran status or age (over 40).
- (3) **Cabinet EEO Coordinator** - The manager of Cabinet's EEO/Affirmative Action programs is designated the EEO Coordinator. Contact Alvin Wilson, Office for Business and Occupational Development (OBOD).
- (4) **EEO Counselor** - Counselors include Highway District Administrative Managers, OBOD staff, Division of Personnel staff, and designated district personnel. They are knowledgeable of the complaint procedure and other available options and serve an open channel through which employees and applicants for employment may raise questions and get answers to problems connected with EEO.

- (5) **Applicant** - An individual not employed by the Cabinet, who formally applies for employment with the Cabinet.
- (6) **Complaint** - The Cabinet EEO complaint procedures utilize a three-step review process. A complaint is developed in the sequential order outlined below. An individual has 60 days from the date of incident occurrence to pursue a complaint.
- (a) *Inquiry* is the first step of complaint development. It consists of Information gathering, review and clarification to determine the appropriate way to swiftly resolve allegations of discrimination. At this level of the complaint process, an individual discusses issues in confidential counseling with EEO staff. The inquiry is not discussed with other parties. If resolution does not occur, the individual may opt to proceed to the next step.
  - (b) *Informal complaint* is the second step of complaint development. This second step acts as an alternative to formalized proceedings and involves discussion with individuals other than complainant. Assistance is provided without initiating a full-blown investigation. If resolution does not occur at this level, the individual may opt to proceed to the next step.
  - (c) *Formal complaint* is the final step in the complaint development process. At this step, the complainant notifies the Cabinet EEO Coordinator of alleged discrimination. The allegations are defined in a statement written and signed by the complainant. A detailed investigation is conducted and a summary report of findings is issued to complainant and accused. When appropriate, a summary report is forwarded to the Cabinet Secretary or his designee and the Cabinet appointing authority.
- (7) **Complainant** - An employee of the Cabinet or applicant who formally files an employment discrimination complaint in accordance with the authorities listed above.
- (8) **Grievance** - 101 KAR 1:375 allows a state employee to file a grievance that alleges discrimination on the basis of race, color, religion, national origin, sex, disability or age (over 40). The recipient of such grievance is to immediately notify the Cabinet EEO Coordinator in order to comply with Kentucky's Affirmative Action Plan.
- (9) **Confidentiality** - Investigation will be conducted as confidentially as possible to protect the privacy and due process rights of both the complainant and the individual accused. Consultation with others will be strictly limited to those who may have information about the alleged incident.

- (10) **Equal Employment Opportunity Commission (EEOC)** - The federal agency with jurisdiction to investigate and resolve complaint of discrimination. An individual must file a written complaint within 300 days of the alleged discriminatory incident.
- (11) **Kentucky Commission on Human Rights (KCHR)** - The state agency with jurisdiction to investigate and resolve complaints of discrimination. An individual must file a written complaint within 180 days of the alleged discriminatory incident.
- (12) **Remedy** - Specific actions used as a means of resolving formal and informal complaints of discrimination.
- (13) **Recommended Determination** - When a formal investigation is completed, the EEO Coordinator shall offer a recommendation to the agency head or his designee as to whether or not the alleged discrimination contained in the complaint can be verified.
- (14) **Retaliation** - The act of discriminating against a person because the individual filed an employment discrimination complaint, or assisted or participated in any manner in a proceeding initiated pursuant to this procedure.
- (15) **Sexual Harassment** - Unwelcome sexual advances, requests for sexual favors, and other written, verbal or physical conduct of a sexual nature constitutes sexual harassment when:
  - (a) submission to such conduct is made either explicitly or implicitly a term or condition of employment,
  - (b) submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual,
  - (c) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Sexual harassment is inclusive of unwelcome heterosexual and homosexual advance. The Cabinet's responsibilities also extend to sexual harassment of Cabinet employees within the work place by outside agents, vendors, contractors, and other non-employees, when the employer knows or should have known of the conduct, and failed to take immediate corrective action.

- (16) **Withdrawal** - An action taken by the complainant to dismiss his/her complaint. To be effective, the request for withdrawal must be enacted by the complainant without coercion or fear of retaliation.

## **II. PURPOSE**

The Cabinet EEO complaint procedures establish the process for the filing, investigation and resolution of employment discrimination complaints and inquiries. These procedures also:

- (1) Assure that any employee or applicant for employment shall be afforded an immediate and fair method for the resolution of discrimination complaints. The Cabinet's experience has been that the majority of individuals seek earnest resolution to incidents of discrimination. However, the Cabinet will impose penalties for malicious or false accusations.
- (2) Provide the opportunity for employees to informally and confidentially discuss individual allegations of unlawful discrimination.
- (3) Encourage in-house resolution of alleged discrimination complaints.
- (4) Provide a mechanism to ensure that aggrieved individuals may pursue resolution free from interference, coercion, reprisal or any other form of retaliation. Any employee who participates in these procedures may do so without fear of retaliation. Retaliatory action of any kind is prohibited and will be regarded as a separate and distinct cause for complaint. It is made clear that interference, coercion, reprisal or other intimidation against an employee who has participated in the discrimination complaint process will result in disciplinary action against the responsible individual(s).

## **III. COMPLAINT PROCEDURES**

- (1) An inquiry is the first step in complaint development. An individual can discuss allegations, have questions answered and decide on a course of action in confidential counseling with EEO staff. This information gathering and clarification process is neither a formal nor informal complaint, and is not discussed with any other parties. The individual can opt to continue in the complaint process if issues are not resolved. This inquiry phase is completed **within one to ten working days.**

- (2) The informal complaint process is the second step in complaint development and provides maximum privacy and an opportunity for the earliest possible resolution for everyone concerned. The OBOD staff serves as chief counselors and investigators for the Cabinet. Each district has designated EEO counselors. The Highway District Administrative Manager and the Division of Personnel are also available to receive a complaint and forward it to the OBOD. Any employee or applicant for employment who wishes to pursue informal resolution may contact the personnel identified above. When the complainant chooses to explore an informal resolution, assistance can be provided without fully investigating the allegation.

A complainant should contact a counselor **within 60 days of the alleged discriminatory occurrence**. For purposes of notification, this complaint may be written or oral. The OBOD maintains a written record of all complaints. Attempts to resolve an informal complaint will be completed within 30 days from the date of the complaint. The EEO counselor will keep the complainant informed of the progress toward resolution. At each opportunity the staff will seek an informal resolution that is satisfactory to the parties concerned. If the matter is not resolved, the employee will be apprised of all other available options. The complainant and the person accused will be notified in writing of the outcome of the informal process **within ten working days of resolution**.

- (3) A formal complaint is the final step in the complaint process. The complainant has **10 working days from receipt of written notification** to notify the Cabinet EEO Coordinator of intent to file a formal complaint.

A complainant may contact the EEO Coordinator either in person, in writing or by telephone. However, before officially beginning a formal investigation, the complainant must prepare and sign a statement of complaint. This statement shall include the complaint's basis (race, color, sex, etc.), issues (equal pay, failure to promote, etc.), incident dates, identity of the accused, and names of supporting witnesses. The EEO staff can provide technical assistance when necessary.

#### Formal Complaint Investigation

- (a) Within 10 working days after receipt of complaint, the EEO Coordinator will send a letter to the complainant's home address acknowledging receipt of the complaint, requesting any additional information and identifying the investigator assigned to the complaint. In the formal complaint process, OBOD EEO and staff designated by the Division of Personnel share investigatory responsibility.
- (b) The assigned investigator will notify the director, of the affected work unit, of the complaint investigation.

- (c) The investigator will inform all accused parties of the factual allegations and give them an opportunity to respond. At this time, the accused may provide supporting witnesses, documentation and other relevant material.
- (d) The investigator will conduct interviews with complainant, accused and all witnesses regarding information relevant to the complaint.
- (e) The investigator may also:

Collect and tabulate personnel data relative to the complaint (i.e. timesheets, application, disciplinary actions, etc.) in order to provide comparative and documentary evidence.

Conduct an on-site fact finding to collect information, interview witnesses and review official files and records.

Request signed statements from all relevant witnesses.

Compile statistical data (i.e. terminations, new hires, etc.) relevant to the issues cited in the complaint.

Review personnel files of complainant and other key employees named in the complaint.

- (f) The EEO Coordinator will evaluate all investigative data. Each allegation on the complaint will be identified. Denials, corroborations and defenses to each allegation will be analyzed. The objective is to resolve conflicting issues. This evaluation will verify whether or not the alleged discrimination contained in the complaint exist.
- (g) If the alleged discrimination is not verified, the OBOD will issue a summary report of the findings to the complainant, the accused and the director of the affected work unit.
- (h) When an investigation verifies the allegations of a complaint, a summary report of the findings is forwarded to the agency head or his/her designee for final review and resolution. A copy of the findings will also be forwarded to the appointing authority. The agency head's decision is final.

This entire investigatory process **will not exceed 60 days** and the complainant, the accused, and director of the affected work unit will be kept apprised of the status of the investigation and its resolution.

#### IV. OTHER AVAILABLE OPTIONS

- (1) 101 KAR 1:375 allows a state employee to file a grievance that alleges discrimination on the basis of race, color, religion, national origin, sex, disability or age (over 40). The recipient of such grievance is to immediately notify the Cabinet EEO Coordinator in order to comply with Kentucky's Affirmative Action Plan.

When such a grievance is filed, the aggrieved individual shall be notified of the right to a simultaneous, thorough and objective investigation by the EEO staff. A grievance alleging discrimination must be filed **within 30 days of the alleged act** of discrimination. To be valid, the grievance must be filed on an official grievance form.

- (2) KRS 18A.095 (13) allows any classified employee to appeal directly to the state Personnel Board an action alleged to be based on discrimination due to race, color, religion, national origin, sex, disability or age (over 40).
- (3) The KCHR is the state agency that investigates complaints of discrimination.
- (4) The EEOC is the federal agency that investigates complaints of discrimination.

These options are available to employees, concurrent with an internal complaint investigation. The EEO staff will advise employees of all options available, including time limitations for filing complaints with state and federal compliance agencies.

The Kentucky Transportation Cabinet ("Cabinet") agrees to a policy of nondiscrimination in the award and administration of United States Department of Transportation ("USDOT")-assisted contracts in its Federal highway, transit and airport financial assistance program.

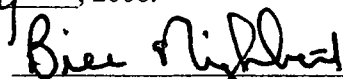

The Cabinet has established a narrowly tailored disadvantaged business enterprise ("DBE") program, in accordance with applicable law, for the purpose of (a) creating a level playing field on which DBEs can compete fairly for USDOT-assisted contracts; (b) ensuring that only firms that fully meet the eligibility standards are permitted to participate as DBEs; (c) helping to remove barriers to the participation of DBEs in USDOT-assisted contracts; (d) assisting the development of firms that can compete successfully in the marketplace outside the DBE program, and (e) providing appropriate flexibility to subrecipients and contractors in establishing and providing opportunities for DBEs.
